

- FTMO and Alpha futures have a good bottom part of the website page, see what they have that we don't and add stuff. Look at the top corner as well with all the social media links. I also want the market insights section smaller shown below.

2. I want the traditional prop firm challenges as they are BUT below i want these sort of sections in this type of style the 5%ers did it well

The screenshot shows a dark-themed website for '5%'ers. At the top, there's a purple header with the title 'Comprehensive Program Overview' and 'Program Specifications'. Below this, there are three main sections: 'Trading Rules', 'Funding And Payouts', and 'Risk Management', each with a list of bullet points.

- Trading Rules:**
  - ✓ Accounts without trading activity for more than 30 consecutive days will get expired. The counter starts from registration day.
  - ✓ Leverage 1:100
- Funding And Payouts:**
  - ✓ A profitable day is a day on which the closed positions made a positive profit\* of at least 0.5% of the initial balance. \*The positive profit is calculated as follows: Minimum(Midnight Balance, Midnight Equity) &#8211; Previous Day Balance
- Risk Management:**
  - ✓ Holding trades overnight and over the weekend is allowed
  - ✓ Holding indices over the weekend is allowed but carries a high swap.
  - ✓ Holding open trades over news is allowed. Executing orders 2 minutes before until 2 minutes after high-impact news news is not allowed.
  - ✓ Assets available: FX, Metals, Indices Oil and Crypto.

At the bottom of the page, there's a navigation bar with links for 'Get Funded', 'Learn to Trade', 'Meet The5ers', 'Get Engaged', 'Futures Soon', 'Get Funded →', and a message icon.

3. I want the TRADITIONAL PROP FIRM CHALLENGE to go into way more detail e.g.  
I want all of these factors on the prop firm list. 5%ers have the highest rating traditional prop firm challenges on prop firm match so we take inspo from them

WITH PAYMENT METHOD THERE WILL BE MANY OPTIONS. WE NEED TO CREATE A GOLDEN BRIDGE FOR CLIENTELE TO PAY US MONEY. CREDIT, VISA, INSTALLMENT PAYMENTS(KLARNA) WITH INTEREST, CRYPTO, LAUNDRY DETERGENT, CONDOMS IT DOESNT MATTER. THINK OF ALL OF THE POSSIBLE WAYS FOR PEOPLE TO PAY US MONEY, our main selling point is differentiation from the norm we do this in every service and product we offer. Here we will do it by lowering price of traditional challenge enough to make us

good money but not low enough they ask the question of this is shady. Then we will make it EASY AF FOR THEM TO PAY US WHATEVER WAY IS BEST FOR THEM.
